In The Time Of The Dinosaurs

15 1 2

Chapter 1 by Dalton Crozier

In the time of the dinosaurs, a lot of death occurred whether it was a stegosaurus or a human. It was my turn to prove myself. I was against a Utah raptor. This would be a tough challenge but I had to do it. It was either me or him. All I had was my club. When the battle started I saw the Utah Raptor, he looked ferocious. He came at me at full speed and knocked me to the ground, I thought this was it. But suddenly I felt a surge of power surge through me and I whacked the raptor with my club. He fell over but got up vigorously.

Chapter 2 by Amaria Arirama

The Utah raptor staggered a bit, before gaining its balance. It gave me a look that screamed death. He started to charge at me with such speed and grace that it made me regret what I was about to do next. I swing my club and gave such a blow, that it did not get up again. The blood thirsty crowd screamed with a mix of boos and cheers. The marksman put another line next to my and the dead reptile was dragged away. I hated this job, but we all have to make a living somehow. I took a hasty bow and left the arena. I headed towards the men's changing room and was stopped by a tall man smoking a cigar.
